

Photo Rag® Book & Album

Matt FineArt – smooth

220 gsm, 100% Cotton, white, double side coated, predetermined grain direction

Product Description

Photo Rag® Book & Album – a white 100% Cotton paper with a smooth surface texture - guarantees archival standards. With its premium matt inkjet coating Photo Rag® Book & Album meets the highest industry standards regarding density, colour gamut, colour graduation and image sharpness while preserving the special touch and feel of genuine art paper. The premium matt inkjet double side coating ensures printability on both sides, perfect for portfolios, wedding albums, books, etc.

Due to the determined grain direction, Photo Rag® Book and Album is especially suitable for the production of books and albums. Grain direction needs to run parallel to the spine of the produced book or album in order to enable a smooth turning over of pages.

Applications

Photographic and fine art reproduction complying with highest archival standards, digital art, black & white and colour photography, limited edition prints, albums, books, greeting cards, etc.

Technical Specifications

	Unit	Valuation	Based on Test Norm / Notes
